

2040 V-Slot Linear Rail

V-Slot Linear Rail is the ultimate solution combining both linear motion and a modular, structural framing system. It's lightweight yet rigid and provides an ultra smooth track for precise motion. V-Slot Linear Rails are precise, easy to work with and allows you unlimited design control through it's modular nature.

SKU: [ERM1158](#)

Brief Data:

- Profile size: 20 x 40mm.
- Profile Type: V-Slot.
- Length: 500mm.
- Center Hole Diameter: approx 4.25mm. Can be tapped for M5 screws.
- Material: Aluminum 6063 Alloy
- Number of Slot: 6.
- Coating: Silver Anodized.
- Profile weight: 0.85kg/m.

Mechanical Dimension:

Unit: mm

The Face behind our product quality...

In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.

Many vendors simply import and sell without checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sold on Handsontec is fully tested. So when buying from Handsontec products range, you can be confident you're getting outstanding quality and value.

We keep adding the new parts so that you can get rolling on your next project.
